

## Island

This three deck island merchandiser can act as a dramatic centerpiece to showcase your specialty meats such as filet mignons, veal or stuffed prok chops.

# 03IM

Please consult Hillphoenix Engineering Reference Manual for dimensions, plan views and technical specifications. Specifications subject to change without notice. Designed for optimal performance in store environments where temperature and humidity do not exceed 75°F and 55% R.H. Certified to UL 471 and ANSI/NSF Standard 7.

## Available Options

- Available lengths: O3IM (8' & 12'), O3IMB (6', 8' & 12'), O3IMBB (8').
- Available shelf sizes: 10", 12", 14" and 16"
- Adjustable wire display racks with multiple levels for that "just right" display.
- Wire or Plexiglass shelf package stops provide neat, appealing displays.
- Custom colors, finishes and textures available to meet any merchandising plan.
- Available with open ends (O3IM) for longer lineups, or with single (O3IMB) or double (O3IMBB) wrap ends for increased layout flexibility.
- Optional 7" straight thermopane glass or 8.75" curved Plexiglass front sills offer good product visibility while helping to maintain consistent product temperatures.
- Insulated ends available for placement against walls.
- Optional front bumper tag moulding to accommodate pricing and POS material.
- Standard off cycle defrost for cost-effective operation; electricor hot gas defrost also available.
- Exclusive SmartValve™ energy-saving technology available.
- Environmentally-friendly Second Nature® secondary coolant application available.
- Optional electrical outlet can be installed in the kickplate for easy power access.

## Features and Benefits

- Honeycomb inner flue directs cold air over product to flow across shelves for consistent temperature.
- Tower cap offers a versatile area for impulse merchandising and arranging displays for seasonal themes.
- ECM energy efficient fan motors are provided as a standard offering.
- Customizable front and bumper options provide superior protection.
- Superior exterior fit and finish for clean, eye-catching lines.
- Removable castors for easy merchandiser unloading and installation.
