

High Back-To-Back Reach-In

Low temperature merchandiser for frozen food and ice cream.

CLARITY® reach-in merchandisers customized with the ideal frame and door options deliver superior performance for every need.

Multiple sizes and configurations help store merchandisers provide unique refrigeration options and enhanced product displays to create a superior shopper experience.

CLARITY®
Reach-In Merchandisers from Hillphoenix

Model ORIZH/ONRIZH High Back-To-Back Reach-In

Please consult Hillphoenix Engineering Reference Manual for dimensions, plan views and technical specifications. Specifications subject to change without notice. Designed for optional performance in store environments where temperature and humidity do not exceed 75 degrees and 55% R.H. Certified to UL 471 and ANSI/NSF Standard 7.

Base Model Features

- 64" interior front facings enhance planogram design options with added flexibility and versatility. With no restrictions in the interior due to refrigeration components being located in the tank below the deck pan, planograms are easier to design allowing for product to take center stage.
- Excellent remodel replacement option for wide island coffin cases.
- Bottom-located refrigeration components facilitate serviceability and allow for full top shelf merchandising.
- Modular interior component design allows easy access to the coil, fans and drain for ease of maintenance.
- Proprietary Synerg-E® technology with NRGcoil™ and energy efficient fan motors ensure uniform case performance and lower average product temperatures with optimum energy efficiency.
- Medium and low temp models match for consistent in-store design.
- Unitized design has smaller footprint when compared to standard case configuration saving floor space.
- Unitized design delivers energy savings compared to standard case configuration.
- Fewer electrical and plumbing connections for installation savings.
- Innovative Anthony® Optimax LED lighting choices increase visual impact of product while reducing energy consumption.
- Removable casters for easy merchandiser unloading and movement during installation.

Available Options

- 4, 6, 8, 10 or 12 door cases with 30" standard swing doors.
- Industry exclusive 12 door option saves installation cost.
- Variety of door rail profiles, finishes and handles.
- Multiple front styles available.
- Available frames: Anthony® 101 LE.
- Available doors: Anthony ELM-D, ELM-H & Infinity 90.
- Available door colors: silver satin, polished aluminum, black or glass infinity edge.
- Low energy or standard heat doors.
- Shelving: 27" - ORIZH, 22" - ONRIZH.
- Motion sensors for additional energy savings.
- Anti-condensate controls.
- Electric or hot gas defrost.
- Polymer or metal end trim.
