Semi-Vertical Three-Deck Meat Merchandisers

N3HM or N3HMG extended height merchandisers can be set in a back-to-back configuration that accepts N3HME or N3HMGE extended height crown ends to create a full-walk around island that is great for 360° display of meats, dairy, deli, pizza, bakery, and critical temperature produce.

Features & Benefits
- Energy-efficient copper tube and aluminum fin coils.
- Top shelf adds merchandising flexibility.
- Single row of compact fluorescent canopy lights for increased product illumination.
- 6" angled front glass enhances product visibility.
- White powder-coated screen trays enhance product presentation.
- Solid steel base adds strength and durability.
- Easily removable interior components for quicker cleaning.
- Off-cycle defrost.

Options
- ECM fan motors for additional energy savings.
- Multiple-depth shelving with or without compact fluorescent shelf lighting with remote electronic ballasts.
- Electric or gas defrost.

Specifications are subject to engineering changes without notice.
