**High Performance TC Coil™**

High Performance (HP) Merchandisers feature our patented TC Coil™ design, which represents a major technology breakthrough for the commercial refrigeration industry. Developed jointly by Carrier Corporation and Tyler, the TC Coil enables HP merchandisers to operate more efficiently, providing energy savings that allow faster payback periods for food retailers.

**Note:** For more information about Tyler high performance display merchandisers featuring TC Coil, go to the Technologies section of this catalog on page 8.
