

N6MHP

TC Coil™

N6MHPM shown

N6MHP vertical multi-deck meat merchandisers offers maximum product presentations with up to six levels of merchandising area. The N6MHP high performance merchandiser provides efficient product cooling while sustaining the look and quality of fresh meat, dairy, deli, and critical temperature produce products.

### High Performance TC Coil™

High Performance (HP) Merchandisers feature our patented TC Coil™ design, which represents a major technology breakthrough for the commercial refrigeration industry. Developed jointly by Carrier Corporation and Tyler, the TC Coil enables HP merchandisers to operate more efficiently, providing energy savings that allow faster payback periods for food retailers.

**Note:** For more information about Tyler high performance display merchandisers featuring TC Coil, go to the Technologies section of this catalog on page 8.

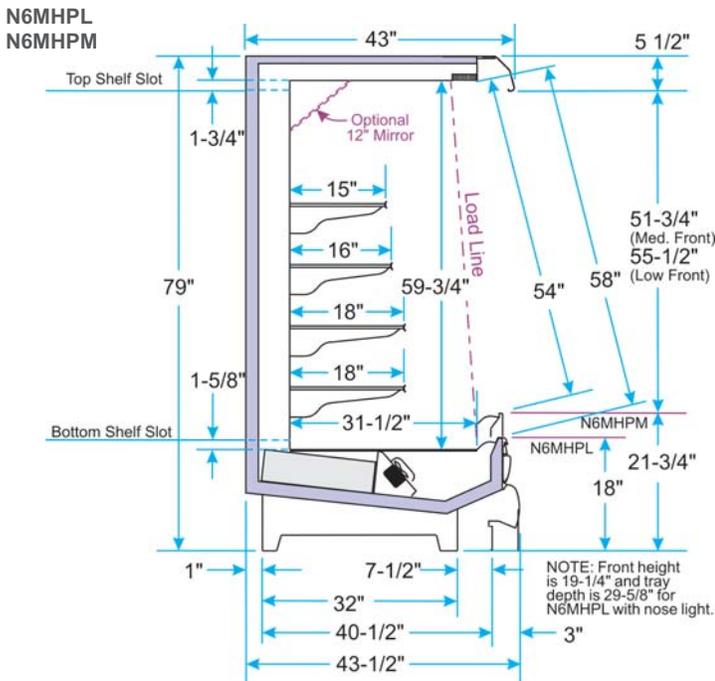

### Features & Benefits

- ♦ Energy-efficient copper tube and aluminum fin coils.
- ♦ Two rows of energy efficient T8 canopy lights.
- ♦ Hinged light channel allows easy access to ballasts.
- ♦ Solid steel base adds strength and durability.
- ♦ Easily removable interior components for quicker cleaning.
- ♦ Fan assembly design allows access to coil and drain pan.
- ♦ Off-cycle defrost.

### Options

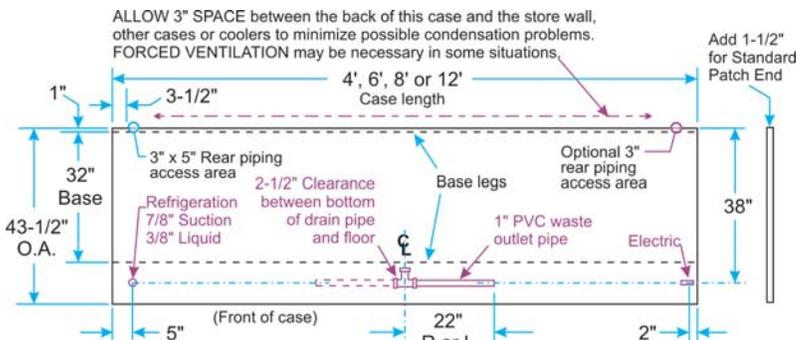

- ♦ ECM fan motors for additional energy savings.
- ♦ Energy-efficient T8 nose lighting provides greater product illumination.
- ♦ 15", 16", 18", 20", or 22" deep lighted or unlighted shelves.
- ♦ 3 or 6 position brackets for varied shelf display angles.
- ♦ 12" mirror for enhanced product presentation.

Specifications are subject to engineering changes without notice.

Model	Case Length	Description	Capacity in Cubic Feet*
N6MHPL	6' • 8' • 12'	Solid Front, Multi-Deck, TC Coil with Low Base Rail	56.1 • 74.7 • 112.1
N6MHPM	4' • 6' • 8' • 12'	Solid Front, Multi-Deck, TC Coil with Medium Base Rail	37.4 • 56.1 • 74.7 • 112.1

\* Cubic capacity is based on four rows of 22" shelves.

### Optional Accessories

12" mirrors are ergonomically positioned to increase product visibility, enhancing product presentations.

Lighted shelving on multi-position brackets enhances product presentations.
